ODP # 81-351

MEMORANDUM FOR: Director of Data Processing  
Chief, Information Management Staff

FROM: Edward L. Sherman  
Director of Finance

SUBJECT: Non-Official Cover Payroll System

25X1 1. This is to confirm that we have agreed with Chief of the  
[redacted] on the need to provide payroll data  
for a management information system for employees under non-official  
cover. Members of your staff have already begun discussions with  
Compensation Division on the fundamental aspects of our present  
non-official cover (NOC) pay process which is a part of our four  
week payroll. I invite your staff to continue these discussions  
25X1 to the extent they are useful to the development of a management  
information system for [redacted]

2. The present NOC pay process is deficient in a number of  
ways and needs major revisions if it is to satisfy present and future  
Agency requirements. Since our meeting with Chief, [redacted] the Office  
of Data Processing and the Office of Finance have begun a joint  
effort to improve the entire Agency payroll system. This will  
include an analysis of the requirements of all pay systems including  
NOC pay. This requirements study is estimated to take six months,  
25X1 ending in October of this year. At that time we would expect to  
meet with you and Chief, [redacted] to discuss the conclusions of the study  
as they impact on NOC pay.

[redacted] 25X1

Edward L. Sherman
